1. WELCOME MESSAGES

Dear Members,
Dear Participants,

It is crucial for ISF to reach out to younger students because we live in a more complex and challenging environment. We believe that ISF, together with our organizers and partners, must help young student-athletes from an early age to establish a healthy lifestyle, acquire and develop leadership skills, discover competencies, and also to better understand the world. We thank the **Brazilian Confederation of School Sports** for hosting this event, which will pave the way and help pass on Olympic values to the youngest and consolidate the ISF community. We look forward to meeting you in **Brazil**.

Best regards

Laurent Petrynka – ISF President
